

Long Baskets

21' 27' 34' 39' 43' 45' 47' 50'
55' 60' 70' 75' 90' 105' 120'

- DNV 2.7-1
- EN12079
- Cargo securing points inside
- Available fully galvanized
- Flemish splice sling option

Our baskets are designed and built to DNV 2.7-1 / EN12079 standards capable of handling the dynamic loads inflicted on them by lifting operations between moving vessels in the harshest of environments.

These long baskets provide a slim design capable of handling longer oilfield equipment. The baskets can be stacked empty for efficient use of client yard space.
